

CLASSIFIED EMPLOYEE GROUP BENEFITS

Classified employees may be eligible for group benefits as determined by the board and required by law. The board will select the group benefit program(s) and the insurance company or third party administrator which will provide or administer the program.

In accordance with the Patient Protection and Affordable Care Act (ACA), the board will offer classified employees, who are expected to work an average of at least thirty (30) hours per week or one hundred thirty (130) hours per month, based on the measurement method adopted by the board, with minimum essential coverage that is both affordable and provides minimum value. The board will utilize the applicable measurement period to determine whether variable hourly employees qualify for an offer of insurance coverage under the district's group health plan. The board will have the authority and right to change or eliminate group benefit programs, for its employees.
