

CUSTODY AND PARENTAL RIGHTS

The school district will not take the "side" of one family member over another in disagreements between family members or in a disagreement about custody or parental rights. Court orders that have been issued shall be followed by the school district. It shall be the responsibility of the person requesting an action by the school district to inform and provide the school district the court order allowing such action.

This policy does not prohibit an employee from listening to a student's problems and concerns.

It shall be the responsibility of the superintendent or designee to ensure employees remain neutral in a disagreement about custody and parental rights.
