

STUDENT SPORTSMANSHIP

Student conduct is a representation of the school. Good sportsmanship is to be stressed at all events held at our school or elsewhere.

The district will respect the expectations of NFHS, IHSAA, IGHS AU and other governing bodies in regard to sportsmanship.

Students should remember that their conduct is a representation of the school.

1. They should concentrate on cheering the team to victory by being in the cheering section and cooperating with the cheerleaders. They should cheer and not boo.
2. Students should be hospitable to all visitors and guests.
3. Students should display proper decorum at public events. Obnoxious, disorderly, disruptive, or harassing behavior will result in removal from the premises.
