

SITE AND FACILITIES RULES

1. Unlicensed motor vehicles that are not owned by the district, such as go-carts, all-terrain vehicles, utility vehicles and snowmobiles, will not be permitted on school property.
2. Licensed motor vehicles will be permitted on school property only in designated parking or driving areas. It is understood that maintenance and school vehicles, performing duties by authority and for the benefit of the school are exempt from this provision.
3. Vehicle speed on all school property will not be more than ten (10) miles per hour.
4. Vehicles parked on school property will park only in designated areas in the designated manner. Where there are lines painted, the vehicle will be between the lines.
5. Vehicles improperly parked on school property in violation of the rules may be towed away at the expense of the owner.
6. Skateboards and roller blades are prohibited on ramps, steps, and railings.
