VOTE: NOVEMBER 7, 2023

On November 7, voters will consider a ZERO tax rate increase bond referendum to fund new and expanded school facilities - critical projects to support future student growth.

VOTER APPROVAL WOULD NOT INCREASE YOUR SCHOOL TAX RATE.

In the last 3 years, the district has LOWERED it's property tax rate by \$2.01 per thousand! This has been possible due to the significant commercial growth in our district. Passage would allow us to borrow up to \$48 million for these projects without raising this rate.
